Agricultural Marketing Service: School-lunch program—source of funds, matching requirements and participation in the program; fiscal years 1947–57 ... 311
Agricultural Research Service:
Agricultural experiment stations, fiscal years 1953–56, expenditures by ... 166
Contingency fund for control of emergency outbreaks of insects and plant diseases ... 85, 86
Brucellosis program:
Cattle tested, reactors found and calves vaccinated ... 96
Comparison of State and Federal expenditures ... 95
Eradication indemnity payments and operating costs, by States ... 97
Employment in metropolitan District of Columbia and field, as of December 31, 1946, 1951, and 1956 ... 183
Inspections at ports of entry ... 87
Meat inspection:
Comparison of grades and rates ... 91
Comparison of manpower and workload ... 92
Cost of garments ... 92
Washable outer garments, General Counsel's opinion ... 304
Machinery, equipment and power, research on ... 132, 176
State agricultural experiment stations:
Federal grant funds, use by subject matter area ... 763
Proposed use of 1958 increases, by subject matter areas ... 739
Allotments to States ... 154
Expenditures by ... 166
Brucellosis program:
Comparison of State and Federal expenditures ... 95
Indemnity payments and operating costs by States ... 97
Budget estimates, 1958 compared with appropriations and loan authorizations, 1957 ... 743
Budget estimates, 1958—New obligational authority and estimated expenditures ... 11
Budget recommendations, farm organizations:
Farm Bureau Federation ... 954
Farmers' Union ... 978
Commodity Credit Corporation:
Disposals, dollars, fiscal years 1953 through 1956 ... 699
Sales and other disposals ... 5, 727
Commodities, estimated volume of ... 716
Famine relief to friendly peoples, emergency ... 726
Program field operations ... 717
Realized losses and gains ... 722
Commodity Stabilization Service:
County office pay increases, estimated fiscal year 1958 costs, by program ... 702, 708
Local administration, section 388, Agricultural Adjustment Act of 1938; man-years, man-days, salaries, travel, and other expenses, by program, fiscal years 1956, 1957, and 1958 ... 613
Performance checking requirements ... 944
Dairy cooperatives, number of ... 1011
Extension Service:
Appropriations for States, Hawaii, Alaska, and Puerto Rico, by States and Territories ... 207
County agent salaries, average annual salaries, September–October, 1956 ... 220, 756

Page

Extension Service—Continued
County agent salaries, compared with similar employees of the Farmers' Home Administration, Soil Conservation Service, and Commodity Stabilization Service 224, 755
County office, cost of needed equipment in certain Alabama counties 742
Cooperative extension work in States, Alaska, Hawaii, and Puerto Rico for fiscal year ending June 30, 1957, sources of funds 205
Direct payments to and contracts with States, Hawaii, Alaska, and Puerto Rico, indicating those requiring offset by States and Territories, those not requiring such offset, and basis of distribution as estimated for 1958 208
Extension field agents under cooperative appointment with USDA June 30, 1954, 1955, and 1956 (extension workers not under appointment are excluded) 208
Farm Credit Administration:
Land-bank bonds, sale of, since 1952 ..... 904, 905
PCA interest rate as of January 1, 1957, by district 906
Farm income, relation to market supply 973
Farmers' Home Administration:
Farm housing loans, by State 460
Farm ownership loans 448, 462, 464
Soil and water conservation loans 466, 468
Status of old loans 458
Federal Crop Insurance Corporation:
Contract cancellation rate 360
Contract sales and servicing costs 361
Contract sales by commodity, crop years 1957, 1958 357
County programs and insurance contracts in force by commodity for crop year 1956 377
Loss adjustment workload 362
Premiums, indemnities and loss ratios, 1948–56 368
Premiums and indemnities, 1948–56 369–373
Foreign currencies:
Planned use of, through March 31, 1956 40
Sales of surplus agricultural commodities for 727
Great Plains conservation program:
Acreage and conservation reserve payments and ACP allocations in the 10 Great Plains States 593
Costs, technical and administrative, estimated fiscal year 1958, by agency 584
Wind erosion conditions, comparative status of 575
Inspections at ports of entry 87
International Wheat Agreement, wheat exported pursuant to 725
Libraries, membership list of Association of Research 507
Milk yield per cow 1012
National Arboretum development program 94
Obligational authority and expenditures 11
Price support, inventories 21
Rural Electrification Administration:
Administrative funds appropriated and obligated by program, fiscal years 1935–57 ..... 827, 828
Administrative manpower, by fiscal years 1936–57 ..... 829, 830
Consumer service connections and idle services of REA borrowers by States, December 31, 1956 841
Delinquent borrowers 396
Electric consumers and miles of line energized by REA borrowers, 1936–56 ..... 84, 842
Electric power consumers in the United States (total, ultimate) 822
Electric power generated in the United States, by ownership of generating plant, 1955 821
Electric utility plant, value, United States 823
Electric utility plants, operating revenue, United States 824
Electrification loans:
Balance outstanding from sections 4 and 5 loans, by States 395
Borrowers not merchandising appliances 412
Interest and principal due on sections 4 and 5 loans, by States 396
Consumer facilities under section 5, list of borrowers and amount 399

Rural Electrification Administration—Continued
Electrification loans—Continued
Page
Cost of power, average paid by borrowers 432
Generating facilities, list of borrowers and amount 433
Funds advanced, payments, and balance outstanding, as of January 31, 1957 840
Net revenues of electric borrowers 426
Telephone borrowers, percentage of distribution, by type, 1953–56 816
Rural development program: Fiscal year 1957 appropriated funds and fiscal year 1958 budget estimates 488
School-lunch program, sources of funds, matching requirements and participation in the program, fiscal years 1947–57 311
Soil-bank program:
Acreage reserve program:
Acres approved, number, 1956, by State 653
Agreements signed, number, 1956 651
Maximum compensation approved, 1956, by commodity, by State 649
Signup through April 5, 1957, extent by commodity and State 655
Conservation-reserve program:
Agreements signed, number, 1956 651
Annual payment rate per acre, by State 659, 688
Contracts in effect, acres, cost, by State, 1956–57 648
Payments for conservation practices, per acre and extent, 1956, by State 684
Status as of May 7, 1957 (1957 allocations, contracts, and estimated payments) 881
Compliance checking regulations 668
Nurseries, number, expansion costs, and anticipated tree production 667
Performance checking costs per farm, by commodity 671
Personnel, estimated average annual positions, fiscal year 1957–58 491
Payees receiving 1956 soil-bank acreage-reserve compensation in excess of $10,000 32
State rates, formula for computing 687
Soil Conservation Service:
Acreage in soil conservation districts, New Hampshire and Vermont 550
Conservation needs inventory 545
Experiment station, Watkinsville, Ga., cost of work at 560,565
Flood prevention projects 546
Man-years, professional technical assistance 529
Trinity River watershed (subwatersheds) 849
Watershed protection projects currently approved for improvement 547
Watershed protection projects (pilot), estimated total cost, status 548
State agricultural experiment stations:
Federal grant funds, use by subject matter area 763
Proposed use of 1958 increases, by subject matter areas 739
Allotments to States 154
Expenditures by 166
Strategic and critical materials, inventory, March 31, 1957 19
Wheat, export subsidies on 43
